Dear Bill

(U) In September, Bruce Clarke forwarded for my attention OSR Report SR IR 73-14, "Soviet Military Planning: Origins and Outlines of a Five-Year Defense Plan."

(C) We have reviewed the report and find the subject matter quite interesting. However, certain key conclusions are not supported by evidence laid out in the body of the report, or do not appear consistent with established trends substantiated by hard evidence. Detailed comments are appended hereto.

(U) Thank you for the opportunity to comment.

Warmest regards

GEORGE J. KEEGAN, JR.
Major General, USAF
Asst Chief of Staff, Intelligence
